This is a follow up to a previous request:

Hi,

Thanks so much for your help with this request, I appreciate the response

However, these items are still of significant public interest The Mastroianni family is of significant public interest, among other things:

- 1 ) The family controls large blocks of real estate throughout the United States;
- 2 ) The family is involved in the controversial EB-5 program which has been subject to debates at state and federal government levels;
- 3 ) The family has been subject to numerous lawsuits that effect law-income tenants, EB-5 investors, and others (<https://therealdeal.com/2019/02/28/mastroianni-usif-hit-with-racketeering-suit-over-cb-5-investments-at-times-square-project-in-legal-back-and-forth/>, <https://www.law.com/dailybusinessreview/2018/10/15/chinese-cb-5-investors-claim-99m-fraud-at-nicholas-mastroianni-iis-harbourside-place/>, and many more)
- 4 ) The family has been tied to fraud allegations connected to the Trump family (<https://www.floridabulldog.org/2018/10/fraud-allegations-against-developer-political-donor-with-ties-to-trump-kushner/>)
- 5 ) The family has facilitated the marketing of projects for Jared Kushner and the extended Trump family (<https://www.revealnews.org/article/days-after-election-kushner-biz-partner-marketed-trump-win-in-china/>)
- 6 ) The family has been linked to possible conflict of interest schemes (<https://foreignpolicyblogs.com/2017/06/06/trump-kushner-china-conflict-of-interest/>)
- 7 ) The family has/had strong connections with Rudy Giuliani and others involved in the elite real estate and presidential circles (<https://www.wsj.com/articles/trump-lawyer-helped-recruit-corporate-client-with-ties-to-kushner-probe-1525902417>)
- 8 ) The family has been mentioned in letters to the Senate Judiciary committed regarding its involvement in raising funds from foreign investors (<https://judiciary.house.gov/sites/democrats/judiciary.house.gov/files/documents/Letter%20to%20Kushner%20Companies%206.1.17.0.pdf>)
- 9 ) The family has connections with Michael Cohen (<https://downwithtyranny.blogspot.com/2018/05/swamp-times-billion-michael-cohen.html>)
- 10 ) The family has been pictured with a number of high profile individuals with political influence that is of significant public interest ([https://www.reddit.com/r/The\\_Mueller/comments/8kyuxm/why\\_did\\_giuliani\\_meet\\_with\\_the\\_eb5\\_execs\\_that\\_got/](https://www.reddit.com/r/The_Mueller/comments/8kyuxm/why_did_giuliani_meet_with_the_eb5_execs_that_got/))

Given such significant public interest, it is requested that you reconsider your denial or released the emails with partial redactions, such as redacting the headers and releasing the content or redacting the content and releasing the headers Even the dates of these emails could be of significant public interest and therefore, at the very minimum you should release the dates of the emails

Please confirm receipt and state whether your will make a reconsideration of this request If you can not make additional releases additional legal action may be taken as these records are of significant importance - therefore, please provide your address for service or legal contact It is requested that this matter be handled expeditiously, as the country gears up for federal and state elections it is necessary that the public know about these records Even if the contents of the records are not directly of 'interest' the release of the records are of public interest because it may provide clarification as to what type of dealings the Mastroianni family is involved in and may quell fears of unethical behavior or provide the public with information about about unethical behavior that could be used for them to make voting decisions

Sincerely,  
Taylor-Scott Amarel

Subject: RE: New York Freedom of Information Law Request: Howard Zemsky Last 200 Pages of Emails With "Mastroianni"

I wish to appeal this determination and request clarification on the number of records being withheld (pages) as well as a breakdown on the number of pages being withheld pursuant to each of the exceptions cited, (i) statistical or factual tabulations or data; (ii) instructions to staff that affect the public; (iii) final agency policy or determination; (iv) external audits, including but not limited to audits performed by the comptroller and the federal government "

Finally, all communications with the key-string Mastroianni are of significant interest Members of the Mastroianni family have significant impact on the public via their development projects, lobbying efforts, connections to the EB-5 program, as well as connections to the Kushner and Trump families A simple google search of "Mastroianni and Kushner", "Mastroianni and EB-5" and/or "Mastroianni and Trump" reveals that national impact of these activities and highlights that fact that all government communications mentioning Mastroianni are of significant public interest and impact

Point of clarification: the need for additional information—names of ESD employee accounts to be searched—is only required for the first part of your request.

The second part, asking for the last 200 pages of emails to Howard Zemsky's ESD email account responsive to the text strings "otgexp.com"; "OTG"; "OTG Management" is reasonably described.

Dear Mr. McElwee,

An effective search of records at Empire State Development (ESD) requires three criteria. You have supplied two of the three: search terms and a date range, but the names of ESD employee accounts to be searched are also needed. If you do not know specifically which individual or individuals might have the records you seek, you could name a department. In this instance, the real estate department might be one in which the records you seek would be reasonably likely to be found.

**Please reply to this email within 10 business days—by close of business of August 29, 2019—with the names of ESD employees or a department for which accounts should be searched, or your request will be closed for not being reasonably described.**

Kindly confirm receipt of this email. Thank you.

2576	Marcello, Elizabet [REDACTED]	6/20/2018	<p>Request for: Documentation explaining the formal legal structure of Empire State Development.</p> <p>(As best I can tell, the Urban Development Corporation (UDC) does business as the ESDC. But then, ESD includes ESDC/UDC, the Dept of Economic Development, the Jobs Development Authority, and the Science and Technology Foundation (now abolished and merged into DED).</p> <p>But, from the state archives, I see this about UDC: "In 1995, under the direction of Governor George E. Pataki to reduce the size of government, the Chairman and Directors of the New York State Urban Development Corporation (UDC) began a consolidation of the State's economic development entities, including UDC, the Department of Economic Development (DED), the Job Development Authority (JDA) and the Science and Technology Foundation (STF). In May 1995 the Directors approved the incorporation of a subsidiary, the Empire State Development Corporation (ESDC), under whose name UDC would do business. The entity is known collectively as Empire State Development (ESD)." <a href="http://snaccooperative.org/ark:/99166/w60w2kch">http://snaccooperative.org/ark:/99166/w60w2kch</a></p> <p>The requested documents will be made available to the general public, and this request is not being made for commercial purposes.</p>	Closed 6/26/2018
